- Restrooms are located in the school, very near the bus parking. Bands are reminded that **restrooms are not for changing into uniforms!**
- We will have over 75 buses and equipment vehicles on-site at our busiest point. Please be cooperative with our parking staff as we try to squeeze everyone in.
- Each band will have a 45 minute warm up slot.
- Directors are reminded that bands are NOT permitted to play cadences out of the stadium after awards, or in the parking lot following your performance.
- Please make your parents aware that they will have to pay to park (\$5 a car). This is the same fee set paid at Hilliard and Dayton sites.
- If your students wish to view other bands after your performance, please sit on the VISITOR'S side.
- Bands will exit to the performer's LEFT after their performance.
- Bands are permitted to plug in at this site, and the stadium has artificial turf.
- **VIDEO** - The OMEA has partnered with The Spin Network ([thespinnetwork.com](http://thespinnetwork.com)) and the Symonds Group to produce professional videos of the 2017 State Marching Band Finals. Anyone (parents, students, friends, etc.) may subscribe for \$25 a year to watch the State Marching Band Finals performances and have access to an archive of previous OMEA State Marching Band Finals performances. Further information is available at [thespinnetwork.com](http://thespinnetwork.com).
