- Restrooms are located at the stadium, near the VISITORS stands. Bands are reminded that restrooms are not for changing into uniforms!
- ***Bands that are parked in the back lot near the stadium need to insure they are not disruptive to the performances taking place on the field.***
- We will have over **100 buses and equipment** vehicles on-site by midday. *Please be cooperative with our parking volunteers as we try to squeeze everyone into the parking area.*
- Each band will have a **45 minute** warm up slot.
- Directors are reminded that bands are NOT permitted to play cadences out of the stadium after awards, or in the parking lot following your performance.
- Please make your parents aware that they will have to **pay to park at Bradley (\$5 a car).** This is set by the host school and is the parking fee at the Dayton and Brunswick sites as well.
- If your students wish to view other bands after your performance, please sit on the VISITOR'S side. The concession stand on that side will be open.
- Bands are permitted to plug in at this site, and the stadium has artificial turf.
- Bands will exit to the performers' LEFT after their performance.
- **VIDEO** - The OMEA has partnered with The Spin Network ([thespinnetwork.com](http://thespinnetwork.com)) and the Symonds Group to produce professional videos of the 2017 State Marching Band Finals. Anyone (parents, students, friends, etc.) may subscribe for \$25 a year to watch the State Marching Band Finals performances and have access to an archive of previous OMEA State Marching Band Finals performances.
